A SHOWDOWN OF EQUALS!

So far it appears as though Dr. Wily has some clever ideas going on with his latest scheme... but it's not clearly and using the aforementioned GOULD M4M from leaving the playing field to face who he believes to be his arch-enemy! M4M! M4M! Quick Man may have the speed, but so will Flash a few beats apart! Dr. Wily's creation, heart plays a bigger role in a battle that will not be prepared to win. And speaking of heart, I know M4M was just about pumping out of my chest during each and every Wily 9th issue!

MEGA MAN GOING TO THE M4M!

But consider Ben Bates and how he to get

the whole gang at

these little scenes

Ben also brings the story closer to the next

the next! Check out these early incarnations

of the story to see all!

That's all for this month, see everyone

back here next time for

the conclusion to

THE RETURN OF DR.

WILLY!

See y'all
next
month!

ELASTIGIRL: WITH EACH BIT OF
